

Dear Watertown-Oakville Little League Parents, January 24, 2010

Beginning this upcoming spring's season we will be making a few changes in the way the Watertown-Oakville Little League's teams are established. In previous years, players had remained on the same teams that they played for in the preceding spring. Those team rosters were then completed in a draft of new incoming players from the lower divisions.

Since our main objective is to provide a diverse learning experience for all of our players, we have decided to begin this spring by forming all new team rosters from scratch. In order to accomplish this we will hold player evaluations for all age groups. From those evaluations, coaches will gather the necessary information to draft players and construct teams based on an even distribution of the varying skill levels. By doing this we believe we will accomplish several things including:

- More evenly balanced competition among teams
- Exposure to different coaches and coaching styles
- A fresh new start with new team mates

Evaluations are going to be held on Saturday March 13, 2010 and Sunday March 14, 2010 at the Hit Club 135 South Main Street at the Seth Thomas Bldg., 4<sup>th</sup> Fl. Thomaston, CT 6787. Please make every effort to attend these sessions as it will help getting your child in the correct division according to their skills. The sessions are listed below
